PLEASE NOTE: Total will vary depending on the brands chosen for supplies.

JANUARY:

17, 24, 31 and Feb. 7

Dyeing with Plants: \$100

This class will go over the basic techniques of mark-making on cotton and silk using natural materials. Students will do different tying techniques using a natural indigo vat, bundle dyeing and dip dyeing fabric. Students will leave the class with two dyed T-shirts and two dyed silk bandanas in several colors.

Before class, please gather if possible:

Onion skins, small rusty metal objects (nails/nuts/bolts), and wood blocks.

***SUPPLIES INCLUDED IN THIS CLASS**

Indicate T-shirt size for ordering ahead of time.

FEBRUARY:

13, 20, 27 and March 6

Collage: Fun \$80

This class brings drawing and painting into three dimensions. Students will learn to open their minds to the possibility that anything can become an art material as they make pictures out of torn paper, sticks, glitter and more! Subject matter for this class will be anywhere from animals and the natural world, geometrical designs and perhaps a valentines card.

Before class, please gather:

Maps, newspaper, magazines, photographs, tissue paper, colored paper, stickers, etc.
