If you would like to draw free hand you may bring any size painting surface you wish.

(You may also use paper instead of canvas but it must be gessoed with at least two coats prior to class.)

### **Brushes**

Synthetic brushes (NOT hogs hair) bring your favorite large, medium and small flats

and a small round for detail.

I use: ½ inch, ¼, 1inch, and 2inch flat brush. “Snap” brand is great and inexpensive.

### **Miscellaneous**

Squirt Bottle for water

palette knife for mixing paint I like the soft pliable one 2-2.5 in a rounded triangle ( the diamond shape is for painting)

paper towels
